

Under 14 2009-10 Season Review

Tandridge League A Division 2009-10 Season Report

Having finished a creditable 6th the previous season, their first in the A Division, the U14's went 2 places better in 2009-10, ending up in joint 4th place. This was despite a shaky start, with only two league wins before Christmas, but as new players settled in and with hard work in training along with a great attitude, form improved as the season progressed.

There were only 2 league defeats from January on, and the season finished with 5 straight wins, all against quality opposition and playing some great passing football. A better start to the season and greater consistency in finishing chances when dominating matches will surely see this talented group of players challenging for the league title in 2010-11.

The tournament season has started superbly with wins at both Claygate and Esher, continuing an unbeaten run stretching back to when this team played at the U12 level - an amazing achievement!

The league table and fixtures grid are from the previous season, the current league table shows that we finished 5th but it was 4th equal as results between teams with equal points is used rather than goal difference.

2009-10 Season Report LSYFL Premier Division

This has been the squad's debut season in the London Saturday Youth League and it has proved to be an extremely successful year. Not only did they win the League and Cup double, remaining unbeaten for the season, but also to the players' credit, they did so in a manner befitting the club's tradition of playing an attractive passing game in which every single player is comfortable on the ball.

Midweek training sessions, which have always been well attended, undoubtedly contributed to improving the team's performance and developing an excellent team spirit on the field of play. It has been a real pleasure for all involved to work with this group of players and to see the continued development of the squad this season. With their great attitude and hard work, both of which has enabled their undoubted talent to flourish, they have fully deserved their success and we sincerely wish them all the best for the future.
