

Under 14
2007-8 Season Review

2007-8 Season Report

Having been promoted to the Tandridge A Division the season before, the under 14's have had a fantastic season, finishing a very respectable 5th in an extremely high standard league.

The league season started with a reality check and welcome to the top flight 5-1 home defeat to the eventual winners Whyteleafe. From then on we strengthened, remaining unbeaten almost until Christmas, with a sequence of fantastic results, playing great football that put us top of the league by the end of the year. Only 4 more league defeats followed, all by a single goal, and all in matches that with a little more luck and a few more decisions in our favour we could and should have won.

We remained top of the league until the last few weeks of the season, only to lose the final 3 games to our closest rivals, whilst missing players due to injury and other unavailability. The players know how close they were to being league champions and that little extra in training sessions and tight matches could push us closer next season. Many opposition managers and parents have commented on the quality of the team's football and sportmanship. There were some spectacular goals in the league total of 61, the second highest in the division.

So far the tournament season has also been successful with one team finishing runners-up in a very high standard Farncombe Youth tournament, in Surrey, and one other team losing the semi-final. Both teams going out England style in the dreaded penalty shoot-out. There was also a good run in the Halliford Colts tournament, losing in extra-time of the semi-final, having not conceded a goal until then and beating the eventual winners on the way. With two more tournaments to come before the season ends, and a second season in the Tandridge A Division, there's a lot to look forward to.
