

Under 15 2008-9 Season Review

2008-9 Season Report

A mixed bag of results for the boys this year with plenty of highs and lows and a mid table finish in their second season in the Tandridge League A division. This is certainly no disgrace as the A division is strong in depth with many talented teams and players, however the boys, if they'd been at their best more consistently, were clearly capable of finishing higher.

Runners Up

The highlight of the season was undoubtedly the game at home to Chipstead, which we ended up winning 4-3 with a last minute 25 yard screamer. Both sets of managers, fans and players agreed that this was one of, if not the most exciting game of youth football they had been involved in to date.

The boys were unfortunate and unlucky with key decisions on several other occasions throughout the season, decisions which impacted greatly on their league position. To say they didn't get the rub of the green was an understatement. With some talented players having been brought in for next season however, added to an already talented squad and with a tough pre season ahead everyone at the club will be working extremely hard to ensure that next time out the boys achieve what they are capable of.

Following the conclusion of the league campaign the U15s did excellently in the four tournaments they were entered into, finishing runners up at both Petts Wood and Furngate, plate winners at Claygate Royals and semi finalists at Farncombe.

2008-9 Fixtures List

Date	Opponent	Comp	Result	Goalscorers
SEPTEMBER 2007
