Presentation Evening 2009

It was a glorious evening on Friday July 3rd as all in the club gathered together at the Trevor Bailey Sports Ground in Dulwich for the annual Balham Blazers F.C Presentations. With our four age groups having won or been runners up in a record breaking eighteen League and Cup competitions this season, there were a lot of trophies and medals to be presented. Along with those won by different teams there were also the much coveted

individual club awards to hand out to players in each age group. Many congratulations not only to the winners but to all of our fantastic players and many thanks to everyone who helped with preparations before and on the night itself which once again started in late afternoon sunshine and finished as darkness finally descended on those still making merry, kicking footballs on the green and demolishing the last of the barbeque.
